

58" x 70" Beginner-Friendly Black & White Irish Chain Quilt

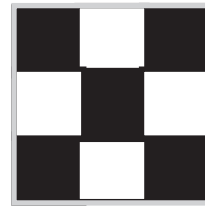

BECAUSE WE'RE CUTTING APART A SEWN SEAM I RECOMMEND USING A LOWER STITCH LENGTH - I USE 1.5 TO PREVENT THE ENDS FROM UNRAVELLING.

Here's what we need to cut and make...

**32 WHITE SQUARES
CUT TO 6.5"**

**31 TOTAL 9 PATCHES
6.5" EACH**

EACH 9 PATCH IS MADE OF 5 BLACK 2.5" SQUARES AND 4 WHITE 2.5" SQUARES;
FOR THESE CUT 10 BLACK 2.5" STRIPS WOF, 8 WHITE 2.5" STRIPS WOF

BESIDES THE 9 PATCHES AND 6.5" WHITE SQUARES, CUT WIDTH OF FABRIC:

- **INSIDE WHITE BORDER:** 2.5" strips x 6
- **OUTSIDE FLORAL BORDER:** 6.5" strips x 7
- **BINDING:** 2.5" strips x 8 (or whatever size you like to use)

A = Black-White-Black strip sets
B = White-Black-White strip sets

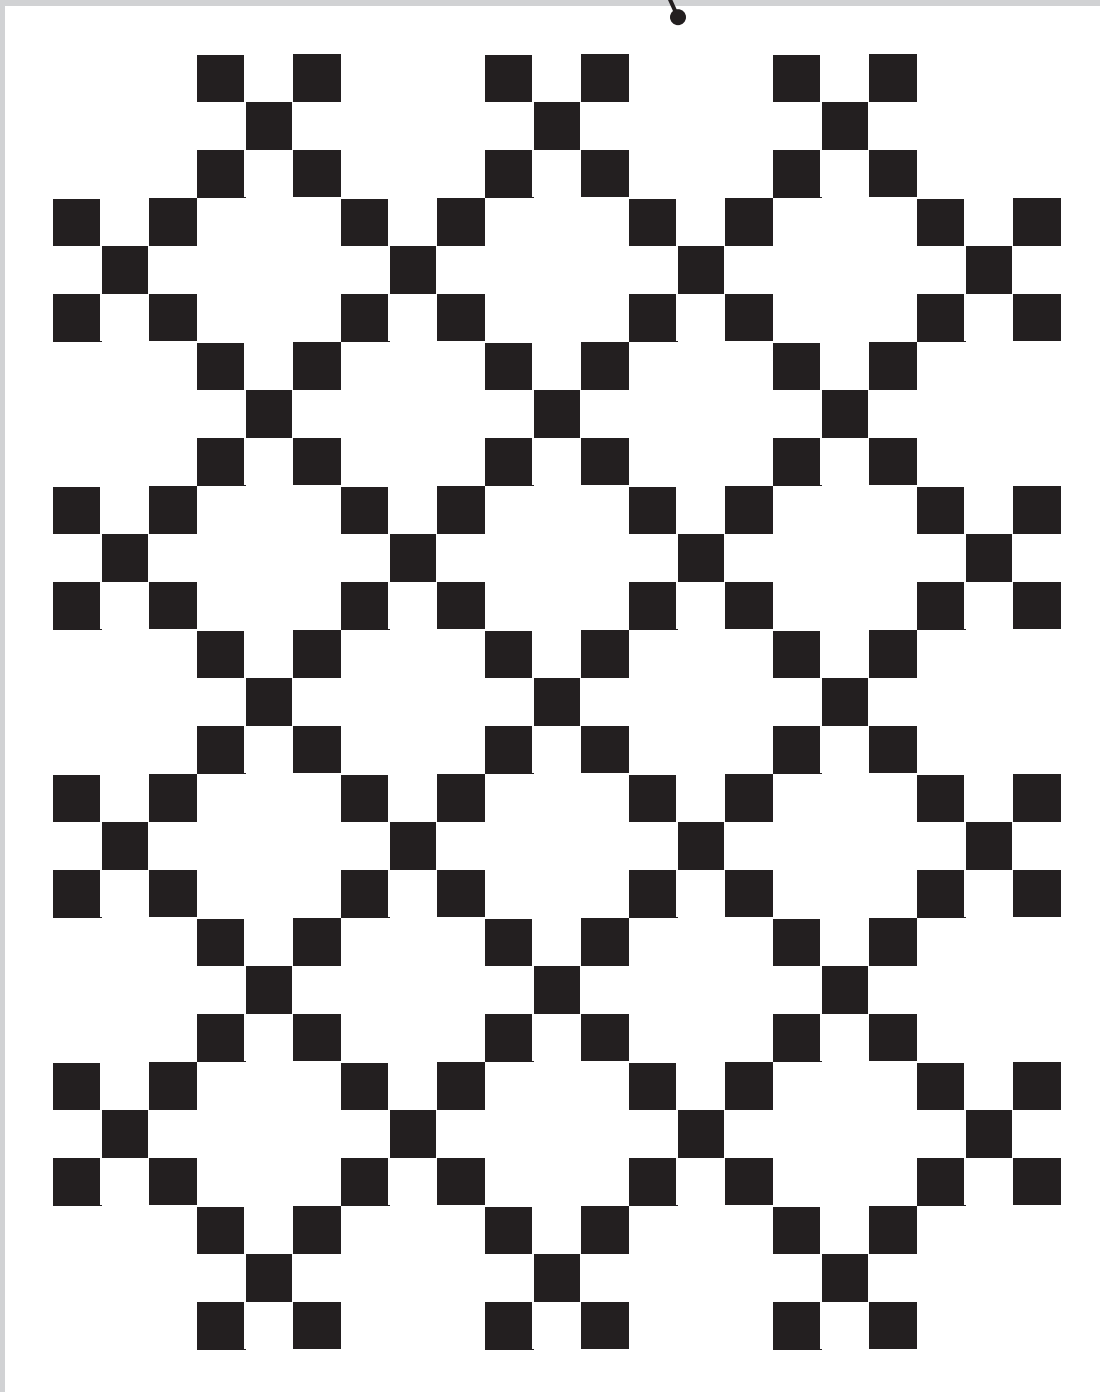

For the 31 nine patches we'll cut 10 black 2.5" strips WOF, and 8 white. From those strips we sew 4 black strip sets and 2 white, then subcut the strip sets into 2.5" rows. Each strip set should yield 16 rows if the usable fabric is at least 40" long. If it's less you'll need to adjust the fabric requirements accordingly.

IRISH CHAIN PORTION WILL HAVE 7 COLUMNS, 9 ROWS

INTERIOR SECTION WILL MEASURE 42.5" X 54.5"
(unfinished)

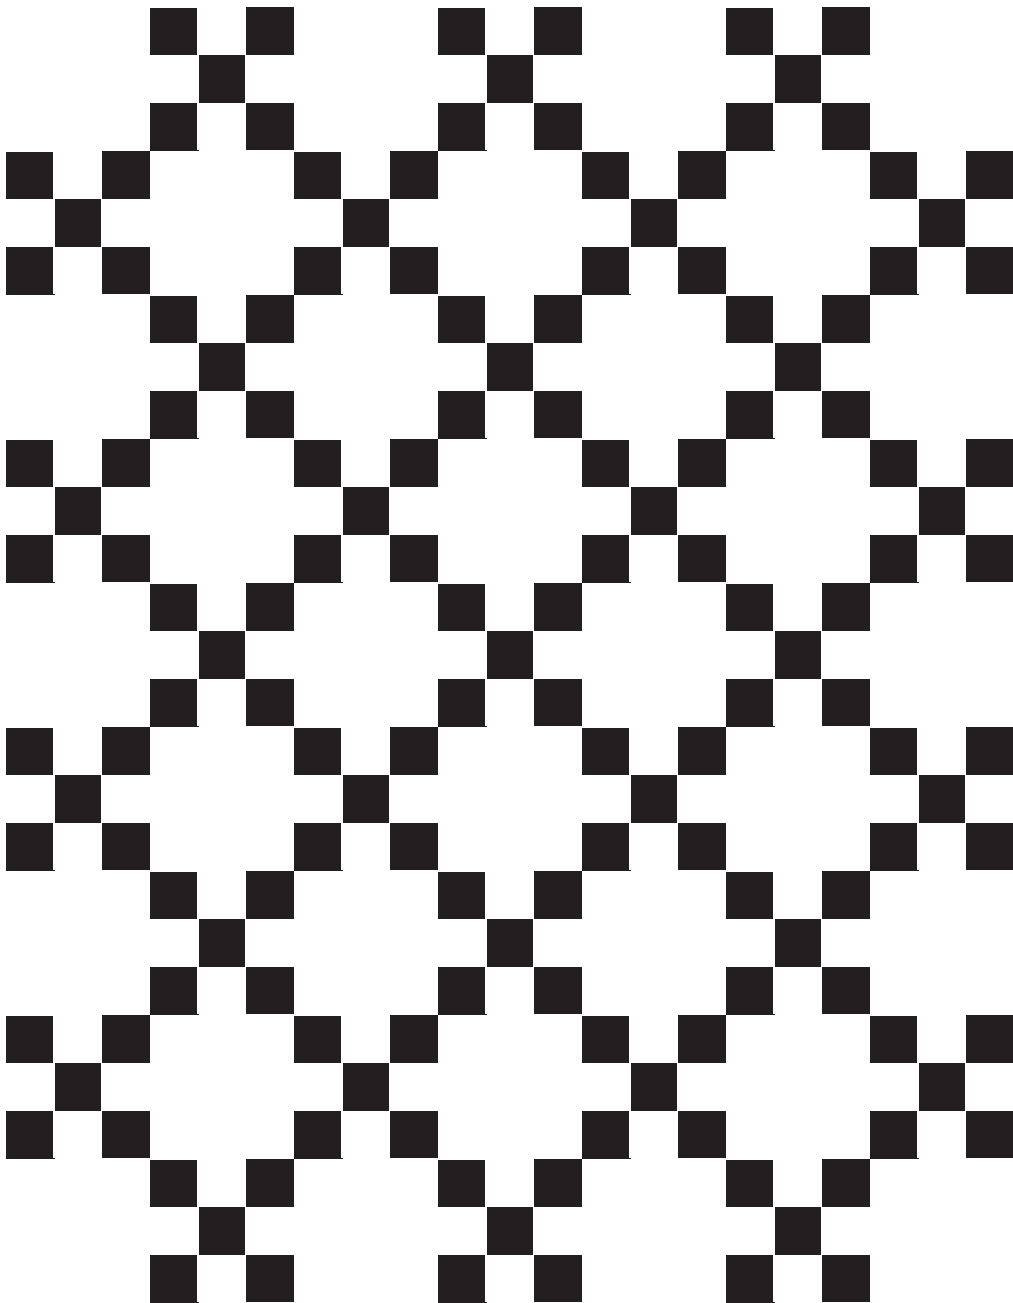

FINISHED QUILT BORDERS: 2 INCH (WHITE) + 6 INCH (FLORAL)
